containing information
about joining the webinar.

Objectives

- Become aware of your own background, and how it impacts your perceptions so you are better able to advocate for inclusion in your department.
- Identify how bias and the processes of the unconscious mind can impact critical healthcare decisions and results.
- Understand the science and research of unconscious bias.
- Apply strategies for practicing more conscious awareness individually and organizationally.

Physician and nursing credits awarded.
A continuing medical education opportunity brought to you by NGHS' CME team.
A CME opportunity sponsored by Office of Graduate Medical Education at NGMC.

The Northeast Georgia Medical Center & Health System, Inc. is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.
