PATIENTS FOR PATIENT SAFETY US

Membership in PFPS is open to any person who:

- Agrees to support World Health Organization patient safety goals, which are focused on achieving the goal of maximum reduction in avoidable harm due to healthcare.
- Agrees to support the PFPS London Declaration, developed in 2005 as the PFPS pledge of partnership.
- Completes an orientation (Provided by PFPS US) to WHO patient safety objectives and programs and PFPS's role in advancing them.
- Agrees to abide by WHO rules of engagement.

OUR MISSION

To implement the recommendations of the World Health Organization Global Action Plan for Patient Safety 2021-2030 in the USA.

OUR VISION

A world in which no one is harmed in healthcare and every patient receives safe and respectful care, every time, everywhere.
