

How to Update Test Result Notifications

- Make sure you are logged into your MyChart account using your username and password at MyChart Login.
- Click on the Menu in the top left corner.

• Under the Account Settings section, select the Communication Preferences option.

• Under Details, find the Health section and click the down arrow to expand, then Select Advanced Settings.

Health		^
Notifi	cations when new information is available about your ca	re.
	Email 6 of 7 notifications turned on	
Q	Text message 5 of 7 notifications turned on	
	Push notification 8 of 8 notifications lurned on	
S	Phone 0 of 1 notifications turned on	
ഫ്	Mail 0 of 2 notifications turned on	
	Advanced settings 🗸	

 Scroll down to the Test Result section and deselect the checkbox next to 'Receive a daily summary between 8-10AM on a business day'.
